Moved by Kevin Stroud

Seconded by Paul Stuart

Salmon Advisory Council

FABEC application to be a member of the Salmon Advisory Council has been accepted. Agreed that Ken McLean would represent FABEC at the SAC meeting on the 17th March, 2021.

Update proposed SARA designation south coast NL.

Draft correspondence to the Minister of Fisheries and Oceans and DFO has been completed. Final correspondence will be forwarded before closing date for comment on the 15th March, 2021.

Mollyguaieck Report.

The number of adult salmon passing through the Mollyguaieck fishway fell from 1,570 in 2019 to 742 in 2020. The 2020 report on the evaluation of the Mollyguaieck project has been completed and sent to DFO

Dam Survey

DFO have requested that FABEC prepare a contract for further culvert surveys and for dam surveys.

FABEC Website.

FABEC Website

Options are available in employing a person to upgrade the website. These are a student from the Canada Student Grants program, a student from the College of North Atlantic or a student from a local school.

The **next** regular scheduled FABEC meeting will **be 7.00pm March 31st, 2021 at Brooking House, 1 Priscilla Drive, Glovertown.**
